

Accessing Urgent Dental Care during the August Bank Holiday Weekend.

If you have an urgent dental problem, during the August Bank Holiday Period (Saturday, Sunday and Monday), there are two ways to get some help depending on whether you have a regular dentist or not.

If you have a regular dentist you should initially make contact by telephone, you will be directed to the most appropriate service.

If you do not have a regular dentist please use the telephone numbers below for your area.

Patient should NOT attend a [GP](#) Practice or Service unless you have an appointment to attend.
